MISSIONARY FOCUS

IRV & NAN KLASCHUS

CAMPUS CRUSADE FOR CHRIST

Irv & Nan Klaschus live in Orlando, Florida with their two children Alex & Aimee. Irv has worked on the JESUS film project since 1986. The film has been translated into 1,272 languages. The Jesus Film ministry seeks to continue to reach people in their heart language through language translations of *JESUS*, *Magdalena*, and *My Last Day*. They are also developing short films and their digital media platform to serve the body of Christ worldwide with evangelism and discipleship media. Irv is currently working on short films, episodic stories, anime gospel presentations and "visual translations" of *JESUS* that use dialog from the film in a creative way to reach fifteen-thirty year old people worldwide.

Please keep the Klaschus' and their ministry in prayer:

- For the initial planning and fund development on a set of short animation films based on *JESUS* film dialog
- For continued development of SD card and 'tablet based' evangelism as well as research in doing a story from the life of Jesus in VR
- For Nan's struggle with M.S. and Irv as he helps her
